All roads lead to KNS Ethos on 30th and 31st of January

As I waited for the morning sun to break over the majestic view of Chamundi hills, I pondered upon a very simple question in residential real estate, what does a property buyer want? Many have broken their heads trying to answer this,

Well, I believe there are four main but quite simple concerns every buyer has before taking a purchase decision, they are "Location" "Price" "Product" and "Validity",

As simple as they may be, but finding a right mix of all these attributes is of course a challenge for every realtor, but here, at KNS Ethos – Mysuru, we believe to have hit the right spot.

LOCATION

Nestled in the foothills of Chamundi, KNS ethos is just a walk way from Mysuru's major landmarks, be it the palace or mall of Mysuru, the project is exactly adjacent to the Golf and Race course with close proximity to JSS hospital, what makes the location even more interesting is the opportunity of witnessing the sun rising over the Chamundi hills up close every day from the comfort of your bed, imagine being able to wake up every day with a fresh perception about life.

PRICE

The price per square feet is rupees 5000/-, with plot dimensions of 30feet x 40feet starting from rupees 58 Lakh onwards

KNS INFRA

PRODUCT

I always have had a perception that people of this heritage city have an affliction towards being free, that you will never be confined to the 4 walls of an apartment, people of Mysuru do deserve a large open space, where they can breathe fresh air, take a walk, soak in the sun etc

Which is why at KNS Ethos, we have provided wider roads, 45% open spaces, a track to walk and jog, open air amphitheatre and a state-of-the-art clubhouse.

VALIDITY

KNS infrastructure has a legacy of 14 years, 25 million sqft of development and over 10000 happy customers under their cap, rest assured your investment is in safe hands.

The project is approved by Mysore Urban Development authority and Registered under Real estate Regulatory Authority, Karnataka – which makes it the most legitimate investment in the residential market right now.

KNS ethos is ready for registration and the plot owners can immediately start the construction of their dream home, hassle free documentation makes the entire process fast and breezy.

All right then, what are you waiting for?

Head to KNS ethos on 30th and 31st of January, take a stroll under the majestic Chamundi and experience the extraordinary.

EDITOR'S BOTTOMLINE

Vaccine hesitancy cannot be addressed by pharmaceutical companies alone: Governments and health policy-makers need to play a proactive role in promoting vaccination by educating the public and implementing policies that take care of health and financial risks associated with adverse events following vaccination. Health providers will need to be trained in responding to questions and identifying and treating potential side-effects. People will need to understand where and when to go for vaccination, the doses and schedules, what side-effects to expect and how to handle them, and how to receive medical care for treatment of adverse events, if any. Special outreach efforts may be needed for low-literacy populations and those who do not find it easy to trust medical systems. The beginning of the vaccination programme suggests that the end is in sight. How quickly we reach the goal post depends on how well prepared we are as we enter the race. — *Santanu Pramanik, Sonalde Desai in The Indian Express*

Coloured LEDs turn farmland into wonderland

Lelystad: Dutch artist Daan Roosegaarde's latest project, GROW, involving installation of thousands of blue, red and purple LED lights in a 2-hectare field for both aesthetic and practical purposes has turned the farmland into wonderland at nights.

People driving by the picturesque town of Lelystad, in central Netherlands, at night, this time of year are treated to a surreal sight – a 20,000m2 field of leek glowing blue, red and purple. Thought up by Studio Roosegaarde, the unique artistic installation is designed both as a homage to Dutch farmers and as an inspiration for them to experiment with artificial light in outdoor farming. Daan Roosegaarde also wants GROW to send a hopeful light to people in these trying times, giving new meaning to the word 'agri-culture' as a living cultural artwork.

Man prefers doll as girlfriend !

Hong Kong: A 34-year-old Hong Kong man has been getting a lot of attention because of his unusual amorous relationship with a silicone doll, who he says he prefers to a real woman, for various reasons.

Xie Tianrong has been in a relationship with his girlfriend, Mochi, for almost two years, and despite the fact that she is a realistic silicone doll, and not a real person, Xie couldn't be happier. He regularly posts photos of himself and Mochi in all kinds of instances on social media, and basks in the attention he receives from the media, even if the coverage isn't all positive.

The 34-year-old claims that despite what people may think of him, this is the happiest he has ever been in a relationship. His human ex-girlfriends all asked for things and preferred to look at their smartphones then pay attention to him. Mochi, on the other hand, never asks for anything and gives him all her attention.

Doctor couple assaulted, robbed

Mysuru, Jan. 29 (RK&SSV)- In a shocking incident, an elderly doctor couple was attacked and assaulted brutally by an assailant, who made away with a gold bangle and a chain from their house in Vijayanagar 2nd stage in city last night.

The seriously injured couple are identified as Dr. Keshav P. Raichurkar and Dr. Krishnakumari, who are running Excel Prime Diagnostic Centre, adjacent to Saraswathipuram Police Station since last four years. The duo has been admitted to Apollo BGS Hospital and they are said to be out of danger. Close on the heels of this incident, family members of injured couple have arrived here from Bengaluru.

City Police Commissioner Dr. Chandragupta, DCPs Dr. A.N. Prakash Gowda and M.S. Geetha Prasanna, N.R. Sub-Division ACP M. Shivashankar and Vijayanagar Police Inspector Balakrishna visited the spot. Fingerprint experts were collecting vital clues and the Dog Squad too was pressed into service. A special team has been constituted to nab the assailant who was said to be in his 20s.

Dr. Keshav P. Raichurkar and his wife Dr. Krishnakumari

Details

The doctor couple resides at House Number 5182, 3rd Cross, Vijayanagar 2nd Stage since last 27 years. While Dr. Keshav leaves home at 7.30 am daily and comes back at 9.30 pm, Dr. Krishnakumari goes to the Diagnostic Centre at 10.30 am and returns home at 4.30 pm. Yesterday, Dr. Krishnakumari went to the Diagnostic Centre at about 11 am and returned home at about 3 pm.

Around 8.30 pm, Dr. Krishnakumari, on hearing sound near the car shed behind the house, opened the door thinking that her husband has come back. But she was shocked to see a youth with mask and a full face helmet. He barged into the house and banged her head against the wall rendering her unconscious. The assailant then pushed her inside the kitchen and locked the door from outside.

After 5 to 10 minutes, when Dr. Keshav arrived home, the assailant opened the door and before the doctor could react, the assailant stabbed him on his chin, neck and other parts of the body. When Dr. Keshav fell on the floor of the house, the miscreant opened the kitchen door and dragged Dr. Krishnakumari to the hall where her husband was lying. On seeing her profusely bleeding husband, she pleaded the attacker to take the valuables in the house and not harm her husband. The assailant then goes to the bathroom, washed his hands and legs and came out.

(See ASSAULTED on page 6)

Police posted in front of the doctor's house in Vijayanagar.

I am Nithin...

According to FIR filed by Police, minutes after attacking the couple, the assailant told them, "I am Nithin...when I came and requested for job, you sent me back without giving me job. So, I have done it." This statement has given credence that the assailant knew about the couple and had kept a watch on their movement including their time of going to the Diagnostic Centre and coming back. This incident has shocked Vijayanagar residents as it is a crowded place with movement of people till midnight.

There is a vacant site next to their two-storey duplex house. There are three rooms on the first floor. The couple stays in the ground floor. When Police inspected the house, they found blood on the floor in the dining hall, verandah and room and also found food kept ready on the dining table.

Student killed as goods vehicle rams into bike

Mysuru, Jan. 29 (RK&KS) - A 26-year-old student was killed, while the pillion rider suffered serious injuries when a goods vehicle rammed into the bike at SJCE Road-Hunsur Road junction yesterday midnight.

The deceased is Supreet Jain, a native of Hassan, who was pursuing Animation course in city and staying in a room at Jayalakshmipuram. The injured pillion rider has been identified as Rakshith, who is undergoing treatment at K.R. Hospital in city.

Yesterday at about 12.30 am, Supreet with Rakshith riding pillion, were proceeding on their bike (KA-13-EM-3012) from SJCE towards Hunsur Road and when they entered Hunsur Road, a goods vehicle (KA-55-7882), coming from B.M. Hospital side, rammed into the bike and dragged it along with Supreet and Rakshith for a distance before coming to a halt.

Supreet, who sustained serious head injuries, was rushed to a private hospital where he succumbed to injuries at about 3.30 am today.

Rakshith, who too suffered serious injuries is undergoing treatment at K.R. Hospital.

V.V. Puram Traffic Inspector Aruna Kumari and staff, who rushed to the spot, conducted mahazar, seized both the vehicles and registered a case.

Bribe: Labour Inspector, Computer Operator in ACB net

Chamarajanagar, Jan. 29 (SS &KS) - Anti Corruption Bureau (ACB) Police have trapped the senior Labour Inspector and the Computer Operator of the labour Department while allegedly accepting a bribe of Rs. 3,000 to sanction the marriage financial assistance at the District Administration Bhavan on Thursday.

Those trapped by the ACB Police are senior Labour Inspector Geetha and Computer Operator Malathi. Malathi has been outsourced by the Labour Department from a private firm.

C. Chethan, a plumber from Ramasamudra, a member of Karnataka Building and other Construction Workers Welfare Board, had got married on Nov. 20, 2020 and had applied online on Dec. 19, 2020 for the marriage financial assistance given by the Labour Department.

On Jan. 21, 2020, Computer Operator Malathi called Chethan over the phone and asked him to

Geetha

VOICE OF THE READER

Provide single bus stop at RTO junction

Sir,

We senior citizens and ladies experience a lot of hardship to catch buses towards Ballal Circle and so on at RTO bus stop. There are two bus stops — one in front of the Petrol Bunk and other in the end of Vani Vilas Road.

Many buses coming from Ramaswamy Circle stop in front of Petrol Bunk while buses coming from Agrahara stop at Vani Vilas Road end. Suppose a person wants to go to Ramakrishnanagar, city bus number-61 stops at Petrol Bunk stop and 62 stops at Vani Vilas Road stop.

Sometimes one bus is full or the driver inadvertently does not stop and bus number-62 may be coming on its route. In such a situation, a senior man or a lady has to cross three roads — one Petrol Bunk entrance road, secondly Double Road left side road and thirdly, Double Road right side. Within that time, the bus might have gone. So we have to wait for another bus.

Hence, on behalf of the travelling public, we suggest to have just one bus stop 50 metres from the RTO junction.

SSLC exam to be held from June 14 to 25

One day gap for each subject to help students prepare

Bengaluru, Jan. 29 (SSV)- After the successful re-opening of 10th and 2nd PU colleges from Jan. 1, the Department of Public Instruction has rolled out time-table for SSLC board exam to be held from June 14 to 25.

Disclosing this at a news conference here yesterday, Primary and Secondary Education Minister S. Suresh Kumar said a tentative time-table released by the Department was open to suggestions from students. A day's gap has been provided for each core subject to enable students to prepare themselves. Those who seek changes in the time-table should write to the Department by Feb. 26.

He said last year, the Department had conducted the SSLC exams from June 25. This year the Department wants to finish the exams by then in view of prevailing COVID-19 pandemic. This time, the mandatory 75 percent attendance for students would not be applicable.

For core subjects, the time allotted would be three hours. While two hours and forty-five minutes would be given for writing, 15 minutes would be to check the answer script.

"We had held consultation with Health Minister and COVID-19 Technical Committee regarding re-opening of schools during November last year. The Committee had advised against schools re-opening then. Later, another round of meeting was held in Dec. and it was decided to re-open schools from Jan 1. Accordingly, SSLC and 2nd PU offline classes and Vidyagama for 6th to 9th std. began from Jan. 1," the Minister said.

PU time-table in two days

Replying to a question, Suresh Kumar said the time-table for II PU Board exam would be announced in two days.

On complaints of students being kept out of online classes for not paying complete fees, the Minister said 20 days ago, the Commissioner had a meeting with private schools and said students' education should not be stopped and if access to online classes is blocked, parents must approach the BEO who has the power to take action.

9th, I PU classes from Feb. 1

Buoyed by students response for offline classes for 10th and 12th classes from Jan. 1, the State Government has decided to start offline classes for Class 9 and I PU students from Feb. 1, said Suresh Kumar.

Addressing a news conference here yesterday, he said with this, 9th, 10th, 11th and 12th standard classes would start in full-scale. A decision on conducting classes for 6th standard to 8th standard would be taken during first or second week of Feb. However, no decision had been taken on opening classes for 6th to 8th std. in view of prevailing pandemic.

"We are not at all thinking about starting classes for 1st to 5th std.," he added.

'Even grass won't grow where red flag-bearers move'

D. Devaraj Urs Backward Classes Development Corpn. Chairman Raghu Kautilya blames Leftists for closure of industries

Mysuru, Jan. 29 (SSV)- "Wherever red flag-bearers go, even grass will not grow. Show me any place which has improved with their presence." This was the gauntlet thrown by R. Raghu Kautilya, Chairman, D. Devaraj Urs Backward Classes Development Corporation, at the Leftists indirectly holding them responsible for the closure of many industries in the country.

He was speaking at a function organised in connection with workers convention and release of calendar as part of the birth anniversary of noted Trade Union Leader Dattopant Thengadi under the aegis of J.K. Tyres Casual and Daily Wage Employees Welfare Association here on Wednesday.

Raghu said "Lal Jhandawallas have forced the closure of manufacturing units, finished workers' future and brought them to streets. The plight of J.K. Tyre was a continuation of the story. If workers are not getting 'equal pay for equal work', it is because of red flag-holders who are not only selfish but enjoying everything in the name of workers. However, Dattopant Thengadi was an exception who had dedicated his life for the growth of Bharathiya Mazdoor Sangh. This enabled the starting of J.K. Tyre Casual and Daily Wage Employees Welfare Association to protect the interest of workers".

He said Prime Minister Narendra Modi, in the name of *Atmanirbhar,* has resolved to build a self-reliant India, and rejected the Chinese products. BJP, Bharathiya Mazdoor Sangh and the State Government headed by Chief Minister B.S.Yediyurappa would see to it that the products of J.K. Tyre do not suffer for want of market, he added.

MLA L. Nagendra, former Minister C.H. Vijayashankar, former MLC G. Madhusudhan, MUDA Chairman H.V.Rajeev, City BJP President Srivatsa, J.K. Tyre Casual and Daily Wage Employees Welfare Association Honorary President Pramod Chikkamannur, senior Labour leaders, T.K. Sadashiva, BMS State President Vishwanath Shetty, office-bearers Shankar Sulegao, Prakash, Indresh, H.N. Sadashiv, Balakrishna and Shanthakumar were present.

Parents of Pvt. Schools plan protest over fees row

Bengaluru, Jan. 29 (SSV)- Parents of students studying in Private Schools have planned a protest on Jan. 31 against the failure of Department of Public Instruction to fix the fee for private educational institutions across the State.

The protest would be held under the aegis of Karnataka Private School Parents Associations Coordination Committee.

B.S.Yogananda, member of the Committee, has accused Primary and Secondary Education Minister S.Suresh Kumar of showing negligence in addressing this issue. A few school managements have agreed to slash the fees by 20 to 25 percent. But, the parents have demanded a cut of 75 percent in fees since online classes had been held in the last few months. In the name of online classes, many schools have collected hefty sum from parents, he added.

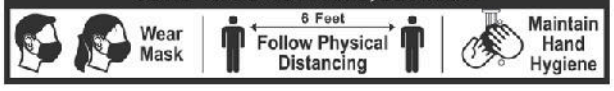
COVID-19. DO NOT PANIC, BE AWARE



Chamundi Temple revenue crosses Rs. 1 crore mark twice in three months

Mysuru, Jan. 29 (MTY&BCT)- The number of devotees visiting the Sri Chamundeshwari Temple atop the Chamundi Hill is gradually increasing and this has been reflected in the *hundi* collection.

The collection has crossed the Rs. 1 crore mark twice in three months — November 2020, December 2020 and January 2021. The Temple had faced a dip in the revenues due to lockdown and the restrictions on devotees due to COVID-19 pandemic. The contagion had even robbed the priests of sundry income they get from devotees due to cancellation of *abhishekams* and special *pujas*.

Now slowly the number of devotees has increased. From Dec. 17, 2020 to Jan. 27, 2021 (42 days) Rs. 1,33,25,302 has been collected in the form of cash along with 253 grams of gold and 810 grams silver. Eight foreign currencies too have been collected from the *hundis*.

The *hundis* were opened on Jan. 27. It may be recalled here that when the Temple offerings were accounted for on Nov. 9 last year for the first time after lockdown ended and after all religious places were thrown open to public, the Temple authorities recorded an income of Rs. 77,57,627.

From Nov. 9, 2020 to Dec. 16, 2020 (38 days) Rs. 1,14,18,628 had been collected. That means, the Temple earnings crossed the Rs. 1 crore mark twice in over three months. Remarkably, the period between Nov. 9, 2020 and Dec. 17, 2020 was marked by KSRTC bus strike and limited train services. Despite this, the revenue touched Rs. 1 crore mark and this only proves that Chamundeshwari Temple is one of the most revered Temples.

The offerings were counted on Jan. 27 by a team at Dasoha Bhavan and the counting process went on for the whole day. Initially, the offerings were brought in many gunny bags to Dasoha Bhavan under the supervision of Muzrai Tahsildar Jagadeesh, Temple Executive Officer N.S. Yathiraj Sampathkumaran and Assistant Executive Officer Govindaraj.

The counting process was done under the supervision of Chief Priest of Chamundeshwari Temple N. Shashishekhar Dikshit, Chamundeshwari Temple and Palace Temples Management Committee President G. Kalaiah, Trustees R. Shivalingu, U.C. Kumari, Savitha Ghatge, former Trustee Uthanahalli Shivanna and a team of officers from Karnataka Bank Chamundi Hill Branch including Manager Shalini Prabhu.

Doctor couple assaulted

(Continued from page 3)

The assailant then took the car key and switched on the ignition for two to three times and after a few minutes, he took away her gold chain weighing 64 grams, two pair gold bangles weighing 60 grams and the iPhone belonging to her husband. Once the assailant left the house, profusely bleeding Dr. Keshav came out of the house and shouted for help.

His neighbours, on hearing his screams, immediately came out and called the Diagnostic Centre to send the ambulance immediately and the bleeding couple was first taken to Adithya Hospital in Gokulam and then to DRM Hospital in Vontikoppal, where they were provided first-aid and referred to Apollo BGS Hospital in Kuvempunagar for further treatment.

Vijayanagar Police have registered a case and investigating.

No CCTV camera

According to information available, there was no CCTV camera near the house. However, the cops were looking at the footages from nearby CCTVs for clues about the assailant.

A family of doctors

Dr. Keshav P. Raichurkar is a Consultant Radiologist at Adithya Hospital, apart from running his own Diagnostic Centre. His wife Dr. Krishnakumari works as overall in-charge of the Centre. Their son Karthik K. Raichurkar is a Gastroenterologist in Bengaluru and daughter-in-law Dr. Radhika is an Ophthalmologist. Their daughter Dr. Archana is doing DM-Neuro and their son-in-law Dr. Adesh is a Neurologist. All are working in Bengaluru.

Violence unfortunate: Prez

(Continued from page 3)

Speaking about the violence on Republic Day, President Kovind called it very unfortunate and said, "The Constitution that gives us the right to freedom of expression, is the same Constitution that teaches us that law and rule should be followed equally seriously." He said his Government respects the Supreme Court's decision to stay the implementation of the farm laws and shall abide by it.

Boycott: President Kovind's customary address ahead of the Budget Session was boycotted by leaders of 18 parties, who skipped the event in solidarity with farmers protesting at Delhi's borders against the three farm laws.

"Joint sitting of Parliament amid Corona pandemic is essential. It's a new year, a new decade and we are also entering into the 75th year of Independence. Today all MPs are present here with message and trust that however tough be the challenge neither we nor India will stop. In this fight against the pandemic, we lost many citizens. Former President Pranab Mukherjee passed away in this Corona period. Six MPs left us untimely due to COVID. I pay my tribute to all of them," he said.

"I am satisfied that the timely decision taken by my Government saved the lives of lakhs of citizens. Today the number of new COVID cases is going down rapidly. The number of recoveries is very high," he added.

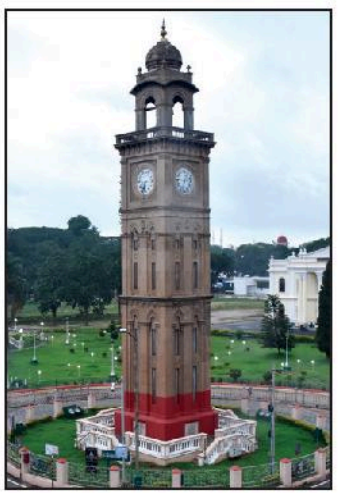
Vaccination drive

Commenting upon the vaccination drive against COVID-19 which started on Jan. 16, President Kovind said, "It is a matter of pride that India is running the biggest vaccination programme in the world. Both vaccines of this programme are made in India. In this crisis, India shouldered its responsibility towards mankind and provided lakhs of doses of vaccines to several nations."

Union Finance Minister Nirmala Sitharaman will table the Economic Survey-2021, which will present a detailed account of the state of the economy, this afternoon. The Budget session will be held in two parts, from Jan. 29 to Feb. 15 and from March 8 to April 8. There will be a total of 33 sittings.

Copper grounding rod from Doddagadiyara stolen

Heritage structure now stands exposed to thunder and lightning



Mysuru, Jan. 29 (RK&BCT)- The 94-year-old heritage clock tower 'Doddagadiyara' or the Big Clock Tower is under the threat of being damaged by a lightning and thunder strikes as thieves have stolen the copper grounding rod that protects the monument from lightning strikes. The copper rod running up to 15-ft has been cut and taken away by thieves and the theft has come to light now.

The 92-ft high tower near Town Hall in city was installed by Nalwadi Krishnaraja Wadiyar in 1927 after completing 25 years of his rule and hence in its memory was named Silver Jubilee Clock Tower. The theft comes at a time when the Mysuru City Corporation (MCC) is planning to repair and restore the Doddagadiyara and bring it back to original form where the chiming of bells from the 5.5 feet bell on top of the tower reverberated across the city.

Tall buildings tend to attract lightning more and lightning can cause severe damage to buildings and structures. Very high current in lightning strikes produces a large amount of heat and the safety of a structure exposed to thunder and lightning is dependent on a correctly designed and installed lightning protection system.

The Doddagadiyara had the lightning protection system and the copper rod protected the structure from lightning damage by intercepting flashes and guiding their currents into the ground. Likewise many high heritage structures in city have such protection system. Now thieves have stolen the copper wire probably to sell the expensive stuff at scrap yards.

Speaking to *Star of Mysore*, Prof. N.S. Rangaraju, Member, Expert Committee for Development and Protection of Mysore Heritage Region and Convenor, INTACH (Indian National Trust for Art and Cultural Heritage) said that he has already brought the theft to the attention of the MCC and also highlighted the threat factor to the heritage structure when lightning strikes. The wire has to be restored immediately, he added.

"The copper wire is part of the lightning protection system and the wire is wrapped in silk cloth for better protection. Till now the system worked well and the stolen part of the wire has to be restored. As the tower is of great height, even the threat perception too is high," he said.

Prof. Rangaraju said the base of the tower has been damaged by rodents as boroughs have been dug deep into the foundation. These boroughs must be filled with chemicals and cemented to prevent further damage, he added.

MCC Comr. reacts

Reacting on the copper wire theft, MCC Commissioner Gurudatta Hegde said that he would send an engineer to the spot and report the issue. "We need to restore the lightning protection copper wire before it starts to rain. I will initiate the process as soon as the engineer reports the ground situation. If need arises, we will consult heritage experts and restore the wire as per guidelines," he added.

PM Modi pays tribute to Field Marshal K.M. Cariappa on his birth anniversary

New Delhi, Jan. 29 (UNI)- Prime Minister Narendra Modi paid rich tributes to late Field Marshal Kodandera M. Cariappa, the first Indian Commander-in-Chief of the Indian Army, on his birth anniversary while addressing the National Cadet Corps (NCC) Rally at Cariappa Ground in Delhi yesterday.

"We are holding this event of Annual NCC rally at the ground named after Field Marshal K.M. Cariappa. In 1947, his wit and intelligence helped in gaining a decisive edge in the war. Today (Jan. 28) is his birth anniversary. I pay tributes to him on behalf of all the citizens," said Modi.

He also pointed out that there are immense opportunities for the girls in NCC cadets. "There has been an increase in 35 percent of girl cadets in NCC in past few years. The nation needs your bravery and new opportunities are waiting for you. I see future officers in you all," he added.

Talking about the revamped gallantry award portal launched on Jan. 25, PM Modi said, "The portal contains the information about lives of gallantry medal awardees. I appeal to all the NCC cadets to visit the portal and keep engaged with it."

Prime Minister Narendra Modi

The Prime Minister appreciated the cadets for their discipline and dedication towards fulfilling their duties. He also informed that around one lakh National Cadet Corps (NCC) cadets are being trained by the Army, Navy and Air Force to serve in coastal and border areas of 175 districts.

"On August 15, last year, it was announced that NCC will be given new responsibilities in around 175 districts in the coastal and border areas. For this, around 1 lakh NCC cadets are being trained by Army, Navy and Air Force. Out of these, one third are girl cadets," PM Modi said.

Hailing NCC cadets for helping the Government amid the COVID-19 pandemic, he said: "Be it the floods or any other calamity, NCC cadets helped the people of this country last year. During the Corona pandemic, lakhs of cadets worked with the administration and society across the country. Their work is commendable."

Union Defence Minister Rajnath Singh, Chief of Defence Staff General Bipin Rawat and the three armed services chiefs were also present on the occasion. The Prime Minister wore an NCC cap, reviewed March-Past by NCC contingents and witnessed cultural performance during the event.

M.K. Pranesh of BJP elected as Legislative Council Dy. Chairman

M.K. Pranesh

Bengaluru, Jan. 29- M.K. Pranesh of the ruling BJP was elected as the new Deputy Chairman of the Legislative Council on the second day today of the week-long Joint Session of the State Legislature.

With the Opposition Congress fielding K.C. Kondaiah as its candidate yesterday, voting became a necessity and as such polling took place. Pranesh won the polls by getting 41 votes as against 24 of the Congress candidate.

On Wednesday, the ruling BJP and the JD(S) had firmed up their alliance in the Legislative Council, with the BJP getting the Deputy Chairman's post and the JD(S), the Chairman post. The Deputy Chairman seat had fallen vacant following the demise of S.L. Dharmegowda of the JD(S) in December last.

JD(S) MLC Basavaraj Horatti, who is the senior-most member of the Legislative Council, is all set to become the Chairman of the Upper House, as BJP and JD(S) combined together have a majority in the 75-member House. The BJP and the JD(S) have issued a notice to move a no-confidence motion against the incumbent Chairman Pratapchandra Shetty of the Congress, who was appointed when the JD(S)-Congress coalition Government was in power.

Samyukt Kisan Morcha has no link with Red Fort incident, says KRRS

Mysuru, Jan.29 (RKB&DM)- Asserting that Samyukt Kisan Morcha has nothing to do with New Delhi's Red Fort violence and untoward incidents during the Republic Day Parade on Jan.26, the Karnataka Rajya Raitha Sangha (KRRS) has condemned the Union Government for registering criminal cases against the Morcha leaders after falsely charging them of inciting violence.

Addressing a press meet at Jaladarshini Guest House here this morning, KRRS President Badagalapura Nagendra said that the KRRS expresses regret for the violence that rocked the national capital on Republic Day, when farmer Unions were staging a tractor parade urging the Government to repeal the three newly introduced farm laws.

Maintaining that miscreants had instigated violence in order to discredit protesting farmers, he accused the Centre of falsely implicating genuine farmer leaders.

He urged the Centre to order a fair probe and constitute a Fact Finding Committee in order to find out the real culprits behind the Republic Day violence in New Delhi and thus unearth the truth behind the unfortunate incident.

Nagendra further said that the KRRS will stage a hunger stir tomorrow (Jan.30) across the State marking Martyrs Day.

Mesmerising Varali at Yuva Sangeetha Sambhrama

Vidu. Medha Manjunath performing for online concert under the series 'Yuva Sangeetha Sambhrama - 2020' on Dec. 19, 2020. She is accompanied by Vid. Keshav Mohankumar on violin, Vid. Pavan Madhav Masur on mridanga and Vid. Shrinidhi R. Koundinya on ghata.

The seventh and eighth online concerts under the series 'Yuva Sangeetha Sambhrama - 2020' of Sri Thyagaraja Sangeetha Sabha Charitable Trust, Mysuru, were premièred on their YouTube channel on Dec. 19 and 26, 2020.

Vidu. Medha Manjunath presented the seventh concert accompanied by **Vid. Keshav Mohankumar, Vid. Pavan Madhav Masur** and **Vid. Srinidhi R. Koundinya** on violin, mridanga and ghata respectively.

Medha, a disciple of senior musician Vidu. Dr. Sukanya Prabhakar, is an upcoming talent of Mysuru, known to the music-lovers through her performances.

Medha opened her concert with an attractive Daru Varna of Muthiah Bhagavathar, "Sri Raja Rajeshwari", in raga Kapi and tala Mishrachapu. The next one was Puliyur Doreswamy Iyer's "Saraseeruhasana Priye" (Nata, Adi), which was rendered with attractive kalpanaswaras showcasing the beauty of Nata raga refreshingly.

Jayachamarajendra Wadiyar's "Brahmanda Valaye", (Mand, Adi) was rendered in fast tempo, followed by "Mamava Meenakshi", a composition of Muthuswami Dikshitar in raga Varali and tala Mishrachapu, which was selected for detailed rendition. The brilliant ragalapana by the vocalist was equally well-followed in violin by Keshav. After rendering the kriti confidently, Medha took up the lines "Shyame Shankari Digvijaya Prathapini" of the charana sahitya, for neraval, which was beautifully presented, followed by kalpanaswaras in artistically designed patterns.

The concert concluded with the Devaranama "Jaganmathe" (Ahirbhairav, Adi), a composition by Prasanna Theertharu. The talented duo, Pavan and Shrinidhi complimented the concert with their percussion skills.

The eighth concert was presented by **Vidu. Archana L. Rao,** accompanied by **Prithvi Bhaskar** on violin, **Vid. M.S. Jayaram** on mridanga and **Vid. Raghunandan Rao** on ghata.

Classical music is inherent by birth to Archana, who is a disciple of both her grandfather and music scholar, Vid. Kovilady K. Rangarajan of Srirangam and mother, senior musician, Vidu. Koviladi R. Kala.

Archana gave a majestic start to her concert with the composition, "Abhimanamennadu", (Begade, Adi) of Patnam Subrahmanya Iyer, decked up aptly with short and sweet kalpanaswaras. The next item was the popular kriti, "Eti Janmamidi Ha" of Thyagaraja, in raga Varali and tala Mishrachapu. While the karunarasa of the raga flowed throughout the ragalapana, bhaktirasa was evident in the rendering of the kriti.

The last composition of the concert was Thyagaraja's "Intha Soukhyamunine" (Kapi, Adi). Kapi is one of the most appealing rakthi (charming) ragas, wherein Archana excelled in her ragalapana, filled with intense emotions. In the presentation of the kriti, one could see the soothing blend of the moods of the raga and the sahithya.

The splendid manodharma of the singer was perceivable in neraval and swaraprastara for both the kritis. Archana's sincere involvement in her singing succeeded in bringing soukhya to the listeners and proved her prowess in classical music.

The instrumental supports from the accompanying artistes, Prithvi Bhaskar, M.S. Jayaram and Raghunandan Rao were remarkable, which contributed greatly to the success of the concert.

150 Govt. ITIs to be upgraded: Higher Education Minister

Visvesvaraya Industrial Training Centre inaugurated

Mysuru, Jan. 29 (PM&SSV)- The State Government has entered into an agreement with Tata Technologies Limited to upgrade and modernise 150 Industrial Training Institutes (ITIs) and thereby create increased employment opportunities to the youths, said Deputy Chief Minister and Higher Education Minister Dr. C.N. Ashwathnarayan.

He was speaking after inaugurating Visvesvaraya Industrial Training Centre, started by Visvesvaraya Educational Trust at Bogadi 2nd stage in city on Jan. 25.

The Minister said according to the agreement, these Government-run ITIs were being upgraded at a cost of Rs.4,636.50 crore in partnership with Tata Technologies Ltd., and other industry partners. Skill development training would be provided as per current demands of the industries. Along with Tata Technologies, about 20 companies were contributing Rs. 4,080 crore under their CSR funds. The rest would be provided by the State Government. The upgrade of each ITI would cost Rs.30 crore each, the Dy.CM said.

He said it had has been intended to provide training in necessary skills to ITI students based on requirements of Industry 4.0 (that is, 4th industrial revolution) and provide better employment opportunities These institutes would function as Common Facility Centres. Efforts were on to attract more investments to the State through skilled human resource in different fields. Every year, over one lakh youths would get better employment opportunities. Apart from this, ten new courses have been initiated based on the demands of industries, he added.

Dr. Ashwathnarayan said there were 1,713 ITIs in the State, out of which 270 were Government, 196 aided and 1,247 run by private individuals. A total of 1.8 lakh students were studying in these institutes. By upgrading 150 ITIs in the State, these institutions would be transformed into prominent training centres.

Tata Technologies would modernise 150 ITIs, with new infrastructure, industry-oriented courseware, training and support for advanced equipment and software to benefit the students to get better employment opportunities. They would also strengthen training, counselling and placement cells to train, guide and create employment opportunities.

Laboratories would be upgraded by setting up new machinery and technology. Action has been taken to plan appropriate syllabus based on the demands of Industry 4.0. Electric vehicles, agricultural machinery, aerospace and defence, horticulture and smart city are among the key sectors that would be the focus areas. As many as 300 trainers from Tata Technologies and associate industries would impart training in these 150 ITIs.

Setting up of workshops

He said workshops in 150 Government ITIs would be constructed at a cost of Rs.200 crore and the work is expected to complete soon. Internship has been made compulsory for students while studying and after completion they would be provided with apprenticeship for a period ranging from 3 months to 9 months with the monthly scholarship of Rs.1,500. Efforts were made to get scholarship from the companies too, he added.

First Annual Convocation of SDM-IMD's PGCM Programme

Mysuru, Jan. 29 - Shri Dharmasthala Manjunatheshwara Institute for Management Development (SDM-IMD) organised the First Annual Convocation of the All India Council for Technical Education (AICTE) approved one-year full-time Post-Graduate Certificate in Management (PGCM) Programme (2020-21 batch) on Jan. 27 through Virtual Mode.

Dharmadhikari of Shri Kshethra Dharmasthala and Chairman of SDM-IMD Dr. D. Veerendra Heggade, who presided, awarded the Certificate to 11 students. Gold Medal for Overall Excellent Performance was given to Bhargav G. Upadhyay. Other toppers are: Aimen Javeed, Anush, Clifford, Dikshith, Drishya, Santhosh Kumar, Arun Varma, Navaneeth, Pushkaraj, and Sagar Jevoor.

In his convocation address, Dr. Heggade said SDM-IMD has been striving to build up overall personalities and character in the students. His desire is to have students excel in their corporate or own ventures and concurrently holding aloft Indian values and ethos. Speaking on the changing vistas of higher education, Dr. Heggade opined that New Education Policy (NEP) has several postulates, which is practised by Dharmasthala Group of Institutions ever since they forayed into education.

He stressed on the educational system which upholds the Indian values and the Indian spirit for integrity, reverence, gratitude and social responsibility.

Advising the graduating students, Dr. Heggade said 'young managers should have temperamental framework in leading a life of fulfilment and the same time be successful in their avocations.' Dr. N.R. Parasuraman, Director of the Institute, presented a brief report highlighting the activities and achievements of the Institute.

Dr. H. Gayathri, Deputy Director and Chairperson, PGCM Programme, welcomed.

Pronunciation: oh-BEE-sunss.
Meaning: A movement of the body made in token of respect or submission : bow; acknowledgment of another's superiority or importance : homage.
Origin: When it first appeared in English in the 14th century, obeisance shared the same meaning as obedience. This makes sense given that obeisance can be traced back to the Anglo-French obeir, a verb meaning "to obey" that is also an ancestor of English's obey. The other senses of obeisance also date from the 14th century, but they have stood the test of time whereas the "obedience" sense is now obsolete.
Example: "Even with the smartphone's on-purpose designed-in distraction notification architecture, our prostration at their non-human feet is the real issue. Our obeisance demotes the advanced human, and we pretend it doesn't. We don't take charge of our attention. Our little robots do. And we caress them." — Nancy Kline, The Guardian (UK).

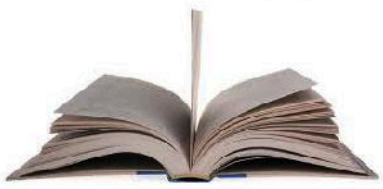
THE ODD WORD

Oblivescence

Forgetfulness; forgetting.

PHRASE OF THE DAY

On the same page



Meaning: If you are on the same page as someone else, that means you both have similar opinions or feelings on something.
Origin: The origin of the phrase "on the same page" is unclear. It may stem from schools because it's often necessary for the teachers and students to be on identical pages in their workbooks. Another idea for where this expression comes from is business meetings, since books might be used there and everyone would need to be on the same page.
So those are the ideas about this phrase's origin. Now, let's talk about how old it is. This saying looks like it originated recently, as the earliest one could find it in print is the 1970s. For example, it appears in the Corona Daily Independent newspaper, 1974: "I think we can beat Washington and whichever team we play next to get into the Super Bowl. If 47 players and our coaches are all on the same page, we can do it."

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

Hyderabad draw against Bengaluru

Sunil Chhetri, who scored the first goal of the match yesterday.

Vasco, Jan. 29- Hyderabad scored two late goals to rescue a point following a 2-2 draw against Bengaluru at the Tilak Maidan Stadium in Vasco yesterday.

Goals from Sunil Chhetri in the first half and Leon Augustin in the second had put Bengaluru in a position of strength. However, two late goals by Aridane Santana and substitute Fran Sandaza meant that the teams had to share the points.

Bengaluru took the lead in the 9th minute and the goal unsurprisingly came from a set-piece. Cleiton Silva put in a brilliant freekick into the box from the left and Chhetri did the rest by getting ahead of his marker to head the ball into the back of the net. The score was 1-0 with Bengaluru leading the score in the first half.

Hyderabad began the second half brightly and registered their first shot of the match on target in the 54th minute when Narzary's cross from the left was headed on goal by Santana and forced the goalkeeper into a save.

Bengaluru did go on to double their lead after the hour mark following a mix-up at the back between Hyderabad's defenders, which put Augustin in on goal and the young Indian forward produced a clinical finish with the outside of his boot.

Hyderabad got a lifeline in the 86th minute and Santana applied the finishing touch from close range. Bengaluru's defence eventually buckled seconds into stoppage time with substitute Sandaza, netting the ball to level the scores.
